Action Taken Report on Feedback (Academic Session 2018-19)

- Conducted a comprehensive review of syllabi. Revised inadequate syllabi based on student feedback. In the agriculture faculty, syllabus for undergraduate programme was revised as per the guidelines of ICAR's 5th Deans' Committee recommendations.
- Initiated workshops for students with inadequate background preparation.
- Established peer-assisted learning sessions.
- Improved resources for challenging courses.
- Considering the feedback from alumni, hostel facilities were revised and improved. Inter hostel sports and cultural competitions were organized to improve the learning environment in line with the vision and mission of the college.
- Options are being explored to enhance the alumni engagement in course curriculum enrichment and placement (job) opportunities to current students.

These targeted actions aim to address specific concerns raised by stakeholders, ensuring an enriched learning experience, faculty effectiveness, and overall satisfaction at Udai Pratap College. Ongoing monitoring and adaptation will be integral to sustaining positive changes.
