## Action Taken Report for Feedback – 2021-2022

### **Introduction:**

The comprehensive feedback received from teachers, students, and parents for Udai Pratap College, Varanasi, were analyzed to identify strengths and areas for improvement. The key actions taken to enhance the overall educational experience for both faculty and students are mentioned hereunder.

- 1) **Infrastructure Improvement:** Plans for infrastructure improvement (boundary wall of play ground, renovation of MP hall), including advanced technology, well-maintained classrooms (smart classrooms) and modern lab facilities, has been sent to management for approval and budgetary allocation to address the concerns raised by teachers, students and guardians.
- 2) **Library Enhancement:** To improve the availability of prescribed books, a thorough review of the library inventory has been conducted. Additional funds have been allocated to acquire relevant materials, addressing the concerns raised by teachers and students.
- 3) **Online Learning:** The College is investing in improving the online teaching process, offering more online learning materials and ensuring a reliable Wi-Fi connection to meet students' expectations. Faculty members are encouraged to upload E-learning materials in the College's website.
- 4) **Short-term Courses:** The feasibility of introducing short-term courses is being explored to provide students with additional opportunities for skill development and future prospects.
- 5) **Result Announcement:** Efforts are being made to streamline result declaration processes, and timely communication to students about semester results, which was disturbed in last few sessions due to pandemic Covid-19.
- 6) **Placement Opportunities:** Initiatives are being taken to improve placement opportunities for students, aligning with their expressed need for enhanced career prospects.

- 7) **Implementation of NEP-2020:** Syllabus of all UG courses was revised as per the National Education Policy-2020 to address the concerns of students and parents regarding updation of course curriculum.
- 8) **Internet & WiFi facility:** Internet facility in the campus was completely upgraded to provide comprehensive Wi-Fi coverage across all academic and administrative buildings on December 2021. New access point in Chemistry Department was added in January 2022, in Agriculture faculty in August 2022 to cover additional areas for improved connectivity. Multiple access points were added in Central Library to make Library fully Wi-Fi in January 2022.
- 9) **Faculty Development:** Considering the concerns raised by few faculty members regarding FDP, a one-week faculty development programme was organized in the Department of Zoology in collaboration with the Department of Zoology, Institute of Science, BHU, Varanasi during March 22-28, 2022.

The action taken report reflects the college's commitment to continuous improvement based on feedback received from teachers, students, and parents. By addressing specific concerns and implementing targeted initiatives, Udai Pratap College aims to create an enriched and conducive learning environment for all stakeholders. Regular assessments and transparent communication channels will be maintained to evaluate the effectiveness of these actions and make further improvements as needed
