Action Taken Report for Stakeholders' Feedback – 2019-2020

Introduction:

The feedback received from parents, teachers, and students during the academic session 2019-20 at Udai Pratap College has been instrumental in identifying areas of improvement in the teaching-learning environment. While the ongoing pandemic-imposed challenges in implementing certain actions on the ground, the institution remained committed to continuous enhancement. The following points highlight the concrete actions taken to address the key observations and suggestions derived from the feedback reports.

1. Despite limitations due to the pandemic, a comprehensive plan has been initiated to upgrade and enhance laboratory facilities. A proposal for procurement of advanced equipment for upgrading of laboratories in Faculty of Agriculture has been sent to management for approval and budgetary allocations.
2. Virtual platforms were utilized to organize a variety of co-curricular activities. Plans are in place to expand engagement, ensuring a vibrant campus life that aligns with the vision of the college.
3. Considering the feedback from students and parents regarding e-learning resources, the faculty members were advised to utilize the open-source platforms and software to cover the syllabus until the college develops its own platform.

Despite the challenges posed by the COVID-19 pandemic, Udai Pratap College remains committed to providing a high-quality teaching-learning environment. Continuous monitoring and assessment will ensure that the implemented measures lead to sustained improvement in the overall educational experience at the college. The institution expresses gratitude for the valuable feedback and looks forward to further collaboration in shaping a positive and dynamic learning environment.
